Receiving Your Inheritance

by Os Hillman

But the Danites had difficulty taking possession of their territory, so they went up and attacked Leshem, took it, put it to the sword and occupied it.... - Joshua 19:47

What is the spiritual inheritance God has reserved for you? When God told the Israelites they were going to receive the Promised Land, it was not given to them on a silver platter. In fact, they would encounter 39 battles in taking the land God promised to them. It took a joint effort between God and the Israelites to engage and battle the enemy that maintained control of the land.

God has given you and me a spiritual inheritance that must be won in the heavenlies. A dear friend and mentor once counseled me after watching my life over a period and said, "The Lord has given you a spiritual inheritance. That inheritance lies in relationships, and because it lies in relationships,

that is the place the enemy has attacked you most. The enemy always attacks us in the area where we are to receive our inheritance. You must walk in faithfulness and obedience to His righteousness in how you deal with relationships." These were words of wisdom that have since guided my path. The Lord has proven these words to be true.

What is the spiritual inheritance He has reserved for you? What areas of your inheritance must you take possession of? The enemy of your soul does not want you to take possession. Put on your armor and begin walking in obedience into the areas God has called you to possess.
